

CLOVEN TONGUES OF FIRE PROPHECY

By Karen Connell

I awoke on the morning of Dec 16, 2016, hearing the words “cloven tongues of fire” and I also heard the Lord say the following: “I am going to release My Holy Spirit baptism of fire upon this generation of My people—who will seek Me for the release of My sanctifying power over their minds. For there has been a recent release of “demonic hoards” of lying spirits that have entered the earth through many opened gates of hell. The minds of people upon the earth—and especially My people—are going to be attacked and assaulted by demons as has never before been experienced by mankind. There will be an alarming and sharp upsurge in the number of people who are” hearing their voices” and are being harassed and tormented by demonic “thoughts” that are luring them into making destructive and foolish decisions and choices. Multitudes will choose to cope with these “voices” and “thoughts” through mind control drugs and other forms of witchcraft and occult practices, which will strengthen the demonic hold on their lives. There are however, those among my people, who have embraced lying imaginations and reasons, which they like, and will cling to these as excuses for the misguided and sinful decisions and choices they are making. These excuses and choices are the result of receiving and agreeing with demonic lies and doubts, which if not exposed and renounced and cast down—will ultimately reward them with the same eternal consequences as Satan and his fallen ones—which is to spend eternity in the Lake of Fire.

My people must allow My purging and purifying fire to expose and purge them from these “cloven tongues” of demons. These cloven tongues, which assail their minds are for the purpose of causing dissention—especially among My true Saints. Just as fire in shape of “cloven tongues” appeared upon the heads of the 120 in the upper room on the Day of Pentecost and was for the purpose of sanctifying the minds of those believers—so they could move out in great power as my witnesses—so too will my baptism of fire in this hour be for the purpose of exposing and destroying demonic thoughts so they are protected and empowered as My Bridehood Saints.

I am releasing My fire upon My Bridehood Saints even now, in order that they may gain and maintain a “sound mind” through the protection of their “helmet of Salvation.” Only those who obtain and maintain their helmet of Salvation through the daily renewal of their minds by My Word—will be able to hear and obey the warnings and instructions that I will bring through my faithful watchmen and prophets. Their safety and security will be dependent upon being able to have ears to hear what My Spirit is saying in these perilous times. Many remain unprotected even now, for they have not put their civilian life behind them and have not answered my call to become holy and living sacrifices, by joining my heavenly kingdom’s army of overcoming Saints. Only by doing so can they receive their helmet of salvation and find deliverance from evil and protection against being led into temptation in this hour, by the hordes of lying and seducing spirits that are coming forth upon the earth. Now is the time for My people to guard their hearts and enter into my Sabbath rest—and become a true worshipper of Me—the Most High God.
