

Demonic “Psych Nests” In the Human Brain (Part 1)

Karen Connell

For many years as a Christian, I struggled with discouraging and anxious thoughts that I could not seem to control. This resulted in much emotional torment, many physical problems and damaged relationships with those I loved. I was always standing in prayer lines asking for healing and help with so many emotional and physical issues. However, it wasn't until I discovered how Satan was waging and winning the battle over my mind, that I finally found total and lasting freedom. As a result I have been sharing for many years now, the truths God has given me for winning the battle Satan has waged against our minds. In this article I will share some very startling insights from God's word about how this battle is waged against us and more importantly how it is won!

As a starting point, I need to say that as Christians we must keep our conscience *tender*, for it enables us to be *discerning* and to perceive what God intends for us to know. When we possess this ability to “know” through our conscience it deprives demonic forces of their power to deceive us. However, as Christians our conscience can become *hardened* by demonic activity so our ability to be *spiritually discerning* becomes hindered. Having our spiritual discernment impaired is a very dangerous placed to be in. (1 Tim 4:1-2) **Now the Spirit expressly says that in latter times some will depart from the faith, giving heed to seducing spirits and doctrines of demons... speaking lies in hypocrisy, having their own conscience seared (hardened) as with a hot iron NKJV.**

Darkness and Dullness

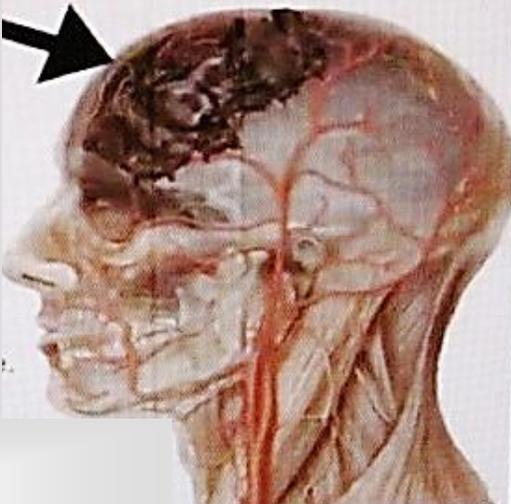

When we allow our human pride to excuse, blame, justify, cover up or ignore the truth and sin issues—we “give place” or open the door to Satan and his army of demonic activity. This is why so many in our modern day churches in this nation are so *undiscerning* and *spiritually dull*... **For the heart of this people is waxed gross, and their ears are dull of hearing** (discerning the truth)... (Acts 28:27) KJV (Parenthesis mine for clarification).

The word “dull” is the Greek word (Strong's 926) *barus* (bar-ooce'), which means *to be weighed down* or to be under a *heavy burden*. Pride is a *heavy burden* (of internalized pressure because of resisting God or His truth). This *heaviness* comes from demons speaking negative lying thoughts that *invade* our life. **Blessed is that man who makes the LORD his trust, and has no respect for pride, nor such as turn aside to lies...** The Spirit of the Lord GOD is upon me; because the LORD hath anointed me to preach good tidings unto... them that are bound... (by) the **spirit of heaviness**... (Ps 40:4; Isa 61:1-3) KJV (Parenthesis mine for clarification).

Those who lack the truth because they doubt or reject what will make them free—establish a covenant with death! **Every time a truth is rejected a deadly demonic thought is accepted.** According to (Lk 10:19) demonic thoughts are like poisonous *serpents and scorpions* (lies or doubts). When received they are like drops of a deadly intoxicating poison that contaminates our spirit and soul (our heart). The more the contamination, the more darkness and spiritual dullness we receive. **We have made a covenant with death, and with hell we are in agreement... For we have made lies our refuge, and under falsehood we have hidden ourselves"** (Isa 28:15) NKJV.

Rejecting the truth and receiving a lie is not only a sad reality in the lives of many who claim to be Christians, but it is extremely dangerous! We are living in the last days, a time when Satan has determined to enslave the minds of humanity in order to gain control over their lives. As (1 Tim 4:1-2) clearly warns, there is an *invasion* of “**seducing and lying spirits**” that have been released in these end times, which have the ability to cause even the *very elect* to “depart from the faith”—through spiritual darkness that is able to invade their lives and dull their ability to be spiritually discerning.

A NASA scientist, who is now said to be deceased, wanted his identity kept secret for possibly fear of what his NASA peers may say or for some other reason due to the nature of what he wanted published after his death. At any rate, it was because of this I was a bit skeptical of what he had to say until I saw the diagram he published. His diagram illustrates how *clusters* of what he calls “aliens” (and what I call demons) **invade** and **contaminate** the brain of humans through *language* and *thoughts*. This scientist claimed to discover this *invasion* of seducing spirits—which he called “**interdimensional life forms**” or “**alien life**” that is able to enter a human brain through “language” and manifest as a *parasitic life form*. Below is his diagram.

<p>A cluster of <i>negative thought forms</i> known as a “<i>psych nest</i>”</p> <p>“Aliens” exist in ideas They can travel through language.</p> <p>Some negative thought forms may be a parasitic form of interdimensional life.</p> <p>Many major television stations transfer these beings by encoding programs with specific frequencies through which aliens can travel.</p>	 <p>A NESTING CLUSTER Contaminated Human</p>
--	--

This man spent a lot of time and energy as he was dying studying “alien” activity. What he didn’t realize in all of this was that what he refers to as “alien activity” is actually “demonic activity”—which is revealed in the Scriptures. For example as I read this scientists information on how “aliens” (demons) travel through language I was reminded of the following text... (Isa 59:4-5) (When people don’t) ...call for justice (what is right), or plead for truth. They trust in empty words and speak lies; (why? Because)... They conceive mischief and bring forth iniquity... They hatch cockatrice’ eggs... He who eats of their eggs dies, And from that which is crushed a viper breaks out KJV.

This NASA scientist claimed that these *interdimensional beings* (demons) were *parasitic*

life forms that could live in clusters in a human's brain. As we know a *parasite* is a life form that feeds off of a "host" body in which it lives on or in. In our *Threefold Cord Manual* for healing and deliverance—I teach a similar concept which states that demons gain access to our lives through our agreement with *their thoughts*, which come to us in the form of *lies* and *doubts*. When these are received by us they create our *wrong beliefs and fearful expectations* that lead to our making *damaging inner vows* that keep us bound to what is false or wrong. These *ungodly beliefs, ungodly expectations* and *ungodly inner vows* become the *food source* that feeds and empowers these demonic *parasites* and keeps them active in our life.

The text in (Isa 59:4) makes it clear that God's truth and righteousness are the keys to our deliverance and healing and if these *are rejected* by us—we will "**conceive mischief ...**" This means we give life to *mischief*—which is the Hebrew word (Strong's 5999) *'amal* (aw-mawl'); and this *refers to something that causes wearing on our body or mind that results in perverseness, grief, pain, misery, or worry*.

This most definitely describes the work of demons that "**hatch cockatrice' eggs.**" The word *cockatrice* is the Hebrew word (Strong's 6848) *tsepha`* (tseh'-fah). CWSD says: *This word is used to represent the vile, the evil character—of people who are in rebellion*. When resistance or rebellion to the truth (witchcraft) is present (1 Sam 15:23)—not only is our character (personality) *being altered* through the invasion of "seducing spirits"—but this verse goes on to say that there is a *crushing*, which causes a *viper* to *break out*. Witchcraft (rebellion) causes people to be *crushed* which is the Hebrew word (Strong's #2115) *zuwr* (zoor); and the CWSD states: *It indicates pressing or squeezing i.e. pressure*. This causes a *breaking out* (i.e. hatching) of a *viper*, (Strong's #660) *'eph`eh* (ef-eh'). According to the CWSD: this refers figuratively to *the evil that rebellious people encounter when they seek help from the wrong source*.

Again, this text in (Isa 59:5) reveals that when we reject the truth we open the door to demonic activity that brings *wearing pressure to our mind and or body through the presence of witchcraft* (rebellion—resisting the truth). This pressure will cause us to *seek help from the wrong sources*—which will bring devastation into our lives. One of the *wrong sources* associated with the wearing pressure that comes upon the minds of those in witchcraft (rebellion) is that of *sorcery*. This word in the New Testament is the Greek word (Strong's 5331) *pharmakeia* (far-mak-i'-ah); which means *medication, drugs ("pharmacy")*. In the Hebrew the word for *sorcery* is (Strong's 5172) *nachash* (naw-khash'); it refers to what is **whispered** (something heard) by a serpent; or something learned by what is diligently **observed** (something seen), these are used as a means for *enchantment*, or for *casting a spell*.

What is clearly revealed by the above information is that those who resist God or His truth are involved in *rebellion*, which the Bible says is (witchcraft). This produces *demonic pressure* upon the *mind and body*, which manifests as *perverseness* (disagreeable i.e. anger), *grief (sadness), pain, misery, or worry* (anxiety). This clearly describes the symptoms for what are commonly diagnosed as *mental illnesses*.

Such conditions that "mental health experts" call: Bipolar Disorder—Anxiety Disorders—Depression—Schizophrenia are all associated with what the Bible calls *witchcraft* (rebellion) and *sorcery* (medication or drugs). Satan has convinced the world that the answer to *mental health problems* (rebellion) is drugs (sorcery—*pharmakeia*). This subject is thoroughly examined in in Chapter 6 *Sorcery in the Church*, of my book *ANATOMY FOR DECEPTION: Even the Very Elect Will Be Deceived*; (see our resource page to request copy of or to read this book on line).

Hallucinations and Hearing Voices

It has become almost common place in this day and age to hear of people who struggle with *hallucinations* and with *hearing voices*. Statistics from Psych Central (www.psychcentral.com) show that 2.6 million people are now diagnosed with schizophrenia and that a total of 75 million Americans are diagnosed with other mental illnesses. According to other researchers this number is continually rising. It seems like people are going “nuts!” The Bible reveals why this is the case. It clearly states that in the last days **pride** and **rebellion** (witchcraft) would be running rampant, which means drug addiction (sorcery) would also be a major problem. **You should also know this... that in the last days there will be very difficult times... For people will be boastful and proud, scoffing at God, disobedient... and have no self-control; they will be cruel and have no interest in what is good... They will betray their friends, be reckless, be puffed up with pride, and love pleasure rather than God.** (2 Tim 3:1-4) NLT

As shown, the Hebrew word for sorcery—*nachash* (naw-khash') is associated with **hearing and seeing things**. When demons invade our brain through our agreement with their thoughts our minds become confused and deceived and ultimately rebellious, creating fears, anxieties of all kinds. This pressure causes people to *seek help from the wrong sources*. These wrong sources include *sorcery* through *psychics* and as mentioned *pharmakeia* (medication-drugs). It is a well-documented fact that drugs which are a *mind and mood* altering substance can have devastating *side effects* on our minds and body.

We must never forget that each time we *ignore, rationalize, or deny* the truth when we are faced with it—this means pride is having its way, and the more seducing spirits and deception are **prevailing!** The Prophet Daniel foretold of this insidious anti-Christ tactic that would be used against *the saints of God!* **...the same horn (anti-Christ power) made war with the saints, and prevailed against them... And he shall speak great words** against (contrary to) the most High (His truth), **and shall wear out the saints** of the most High... (Dan 7:21, 25) KJV.

In the above text the word *prevailed against* is the Aramaic word (Strong's 3202) *yekel* which means *to have the ability to do something*. Satan's demonic forces empowered by the anti-Christ influence are going to have the ability to **wear out** the saints of God. This word in the original text is (Strong's 1086) *balah* (baw-law'); which is used only in a **mental sense** by causing the mind to *be consumed, fail, to wear out, or decay (be defiled)*.

God's people who are ignorant of the truth or who take His word lightly are dangerously vulnerable to losing the war Satan has declared against their minds. The more we **lack, ignore** or **reject** the truth of God, the more our minds are open to being **corrupted** by the enemy, and the less and less discerning we will become. When I read an article by Andrew Strom entitled *Nationalism and Christianity* (www.JohntheBaptistTV.com) in which he states... “We should **change the channel** and **turn OFF the voices** of the *“agitators”*—I was reminded of the statement made by the NASA scientist who said “...Many major **television** stations transfer these *beings* (i.e. demons) by **encoding programs** with specific **frequencies** through which *aliens* (demons) **can travel.**” The reason I find these statements intriguing is because in our *Threefold Cord Manual*, I share what I have taught for many years regarding demonic activity. Following is an excerpt from this manual.

“... Aiko Horman, a brain scientist, has proven that the human brain produces **positive brain waves** (when we are happy) and **negative brain waves** (when we are not). She tells of an experiment in which these were measured scientifically. ...Aiko, a former brain scientist from Japan, who is now a deliverance minister, teaches that **these brain**

waves (frequencies) go out into the atmosphere (spirit realm) and **attract spirit beings**... The Lord confirmed to me what Aiko said concerning “brain waves” (frequencies) through giving me the following verse that talks about “signals” (frequencies) being sent out that are associated with our **soul** (mental & emotional being) and **body** (physical being). **(Isa 10:18) ...both soul and body: they shall be as when a standardbearer faints.**

The word **standard-bearer** is very revealing! It is the Hebrew word (Strong’s 5264) **nacac** (naw-sas) which means **a signal**. The word **faints** is (Strong’s 4549) **macac** (maw-sas) which means **discouragement, fear, fatigue, and grief**... This verse reveals that the brain in the physical **body** emits “brain waves” (a signal) into the spirit realm, when our **soul** is experiencing discouragement—fear—which results in fatigue and grief. (**Threefold Cord Manual for Healing and Deliverance**, Karen Connell, page 82).

What this tells us is that our **brain waves** become a **signal** through which demons invade our lives. When we agree with thoughts of discouragement and fear, the emotions they create become a signal through which demons are summoned to us and may invade our “body” (the brain or other parts). This will cause **fatigue** (a weakening of our being) which can be the cause for much **pain and grief** through many physical and mental disorders.

In our manual I share some additional Scriptures that reveal how Satan and demons work through **light and sound waves** to foster their deception in the minds of humans. I understand there are not many who teach God’s truths by **searching out** the **manifold wisdom** of God through original word meanings, but I do this to show how awesome God’s word is. We must understand that God is the author of all knowledge, wisdom and truth, He created all that exists. Therefore like King Solomon put it...”**And there is nothing new under the sun. Is there anything of which it may be said, "See, this is new"? It has already existed in ancient times before us.**” (Eccl 1:9-10) NKJV

The Helmet of Salvation

The fact that demons can invade our lives through brain wave frequencies should make God’s people concerned about what we allow to **control our thoughts**. The helmet of salvation is our **only hope** for protection against demons controlling our minds through their thoughts in the form of **lies and doubts**. **(1 Thess 5:8-9) But let us who are of the day be sober, putting on... a helmet the hope of salvation...** For God did not appoint us to wrath, but to obtain salvation through our Lord Jesus Christ... NKJV.

A mind that is sober is a mind that has **turned off the voices** that invade our mind through thoughts that are contrary to God’s truth. If we don’t turn off the voices we will be confused and intoxicated by Satan’s mixed cocktail of lies, doubts and some truth. Satan does not care how much truth we have, as long as he can contaminate us with darkness through his intoxicating lies and doubts. The **helmet of salvation** is the **first** piece of defensive equipment that is mentioned in (Eph 6:17). The Greek word for **helmet** is (Strong’s #4030) **perikephalaia** (per-ee-kef-al-ah'-yah); and it is a compound word that refers to: **surrounding the head—as the part most easily seized**. Satan knows if he can attack our **head** with his intoxicating **fiery darts** of accusations, lies and doubts, he can get us to lay down our shield by undermining our faith so we cannot not use the **sword of the spirit** (God’s word) well enough to defeat him. **When people are saying, "All is well; everything is peaceful and secure," then disaster will fall upon them suddenly...And there will be no escape... But you don’t be in the dark about these things, dear brothers and sisters, Stay alert and be sober... Night is the time for sleep and drunkenness... But let us who live in the light think**

clearly, protected by wearing as our helmet the confidence expectation for salvation (deliverance) (1 Thess 5:3-8) PLT.

Please notice that our only hope for *staying sober* and from being invaded by seducing spirits of darkness is our *confident expectation for deliverance*. God's love compels Him by His Holy Spirit to bring to our attention *anything* that is false, or wrong. This means we should be *confidently expecting* God to deliver us from anything that is false—because all sin starts in our HEAD—with wrong thinking, which leads to wrong feelings, choices, attitudes and ultimately wrong behavior.

But how many look for and want God's correction or listen when He does try to correct our wrong thinking? Our fallen human nature does not like to be corrected—it gets *insecure* and *defensive* (prideful) thus we tend to take lightly, ignore or *reject correction*. When we are in error or believing something that is contrary to the truth, God wants to use the Scriptures as our means for correction. (2 Tim 3:16) **All Scripture is inspired by God and is useful to teach us what is true and to make us realize what is wrong in our lives. It straightens us out and teaches us to do what is right NLT.**

The sad truth is far too many professing Christians do not measure what they believe—or how they behave by the word of God. Far too often they spend very little time even reading the Scriptures, or when they do they are so contaminated by unconfessed sin—that their ability to hear God speak to them from the word—is diminished by the *darkness* that has invaded their minds. When a child of God is in this condition, God will use other body members (especially God ordained leaders) to speak His truth to them, exposing whatever is defiling them. That is when a decision must be made to either receive God's correction and find deliverance and healing—or reject God's words of correction through pride. God cannot pardon or cleanse us unless we are willing to confess the sin (what is false or wrong). **The Lord's servants must not quarrel but must be kind to everyone. They must be able to teach effectively ... those who oppose the truth. Perhaps God will change those people's hearts, and they will believe the truth... Then they will come to their senses and escape from the Devil's trap. For they are held captive by him to do whatever he wants (2 Tim 2:24-26) NLT.**

Those who refuse correction face grave consequences that will involve great delusion that God himself allows... **Those who get tangled up in sin... are worse off than before... It would be better if they had never known what is right than to know it and then reject the holy commandments (God's word) given to them (2 Peter 2:20-21) NLT.**

King David who committed terrible sins, was also called a man after God's own heart. This is because he cried out to God with a willingness to undergo God's examination and correction. We too must have the same heart cry unto God for His Holy Spirit to examine our hearts and minds. **Examine me, O LORD, and prove me; Try my mind and my heart... then I will walk in Your truth... I will not be among idolatrous mortals, nor will I go along in with hypocrites... I will hate the assembly of evildoers, and will not sit with the wicked. (Ps 26:2-5) PLT.**
