"The human-animal hybrid army of Satan will be released with the fallen angels. Most will be stunned at what they are seeing, yet those who know Me will prevail. "Gone are the days of freedom now."

I felt I was to wait until today (11-11-18) to release this post. As always, please take this to the LORD in prayer for confirmation.

Yesterday (11-10-18), I had just started my shift at work so was focusing on the things for the day and what I would be doing, when the following phrase came to mind: "Felix, Double Helix"

I then got the picture of the old cartoon character, Felix the Cat, who had human-like characteristics. I understood this odd phrase was in reference to human-animal DNA manipulation.

The LORD Yeshua (Jesus) then spoke this into my spirit:

"The human-animal hybrid army of Satan will be released with the fallen angels. Most will be stunned at what they are seeing, yet those who know Me will prevail. Gone are the days of freedom now. The rise of the beast is occurring. What you read about in myths and legends will be rising in front of your face to destroy all humanity; this I will NOT allow.

Remnant warriors get ready. Battle in the heavenlies as you have known, for My angelic hosts are with you. The destruction of this dimension will not occur until the time that the Royal Kingdom is established.

Don't think you can fight the evil of Satan on your terms. You MUST fight with HOLINESS and RIGHTEOUSNESS, using My Word as the Sword. Speak forth that which My Spirit brings up, for those will be the weapons against the demonic forces. I rebuked Satan with My Word, so must YOU.

Gather together through prayer and fasting, for the time of demonic unleashing is coming quickly.

This will be the testing of the saints like never seen in history.

Persevere and fight the good fight, staying true to My Word.

Fires of Holiness will be seen on my remnant warriors, just as it was seen on Moses.

Free yourself from ALL that binds you.

Let Me wash you clean from ALL of your sins, so Satan can't come in to destroy you.

Press forward.

Look up to Me for your strength, for the battles will be fierce before I return.

Yet in the midst of the storms, there I AM."
