

February 21, 2014

I have been prompted by the Lord to repeat the following WORDS FROM GOD'S WATCHMEN which I shared in February 2013.

Words of Instruction for Coming Destruction

By Karen Connell

As we get closer to the return of our Lord, the more dangerous and evil Satan's agendas will be. God will use His *watchmen* to sound the alarm to not only warn His people, but give them His instructions so we are fully prepared to face what lies ahead. (Dan 11:33) **And they that understand among the people shall instruct many... KJV.** Those who *have ears to hear*—whose spiritual discernment has not been dulled by defilement will understand and receive the instructions from God's prophetic watchmen. (Dan 12:10) **Many shall be purified, made white, and refined, but the wicked (defiled by darkness) shall do wickedly; and none of the wicked shall understand, but the wise shall understand. NKJV**

I want to share some prophetic insights that have been given to various watchmen in the body of Christ, because they confirm what we have been hearing from the Holy Spirit for over a year. (Isa 52:6, 8) **Therefore My people shall know My name; Therefore they shall know in that day That I am He who speaks: 'Behold, it is I.'" ...Your watchmen shall lift up their voices... NKJV.**

The Holy Spirit prompted me to share these words of warning with our readers from some of God's other watchmen...

***Kenny Atnip** - "Civil War in U.S." (Dec 2010)- "My 16-year-old daughter, Maryann, had a dream a few days ago. She dreamed of civil war against the current government. The scene was very chaotic and those in rebellion to the government were going house to house forcing any and all men to join with them. Many of us Christians were in hiding, not willing to join in a rebellion against the government. She awoke in the middle of the night with a strong taste of blood in her mouth... We will have 5 years of terror and turmoil beginning very soon... the government will begin rounding up people that are on a list. If we are on that list, don't resist or run, God sends some away to protect them. God will vindicate the righteous in his time."*

***Kenny Atnip** (Jan 2013)-"Some time ago God showed me and some others that America would enter an internal war. You can call it civil war or revolutionary war or anything you like, but it is coming. God showed me plainly that many Christians would be tempted to be part of a war against the government and that this war would be part of his judgment on the U.S.A. and we should not get involved. The current government's actions are because of God's judgment so he who resists this government resists God's ordinance... the advice is the same as that given to the Israelites. Don't resist when King Nebuchadnezzar comes to take you away. If you go willingly you will be established in a foreign land, if you resist you will die. (We may or may not actually die, but our lives could become so miserable we will wish we would die). Good advice for all of us at this unsettling time."*

Global war is coming as well, and America will be attacked... America will be humbled... The message to Christians here in America is the same that Jeremiah told to Judah- Submit to God's judgment and it will go well for you, resist and it will cost some their lives and

others their freedom..."

From 'Journey' (Jan 2013)- "...the United States is headed for a civil war or something to that nature. I have friends who are in the "Patriot" movement so I hear of things happening that the media will never report. In a nutshell, here is my conclusion to what I hear. There have been hundreds of thousands of assault rifles sold in the past year. There have been laws and rules put into force against assault rifles. Why would this conflict be?... A move to rile up the people has been put into play. Arm the people and then make laws to make them revolt against the Government. The underlying purpose is actually to cause the individual states to secede from the union... Divide and conquer is the idea... (remember) It is better to serve God while in captivity than to die resisting His purpose. God is doing this to the Church because of their pride and arrogance. God is humbling His Church."

As I mentioned, my husband Garry and I have been hearing for over a year that we are going to see war in the streets of this nation. It is vitally important to hear from the Lord regarding how to prepare for this. Depending on what part of the nation you live in, will depend on what you need to do to be prepared for the coming times of upheaval in our nation. We have heard very clearly that there will be *disruptions* in supplies for our retail and grocery stores for our area, therefore, we are getting prepared for that. We have also heard that our "power grid" will also go down at times, which could be devastating if that should happen in the dead of winter where we live, so we have also planned for that eventuality.

We must never forget that God goes before us and prepares the way. It may not be the way we would choose to go, but it is *His way—the right and the way of truth*. Therefore, we must walk in it so His will can be done on earth as decreed in heaven (the place of God's throne). (Ps 89:14-15) **Righteousness and judgment are the foundation of Your throne; Mercy and truth go before Your face. Blessed are the people who know the joyful sound! They walk, O LORD, in the light of Your countenance (presence).** NKJV

May we also never forget that God's chosen people—the elect—are targets of Satan's hatred and wrath, and that he will do all he can to bring deception and fear into our lives in order to manipulate us. But even more so, we must never forget that our protection and security is found in God's grace. That is why it is imperative to deal with all pride issues which are the basis for all sin. (James 4:6-7) **God resists the proud, but gives grace unto the humble. Submit (humble) yourselves therefore to God. Resist the devil, and he will flee from you** KJV.
